[District 15 Kindergarten Readiness Guidebook](#) / [Guía de preparación para kínder](#)

[Home](#)

Kindergarten Day 1 / día 1

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

Lectoescritura

- Lee con la Biblioteca pública de McHenry
 - Registrarse para una tarjeta temporal/Libby: [Instrucciones](#)

Math

[Counting with Small Numbers on Khan Academy \(video\)](#)

Matemáticas

[Contar números pequeños en Khan Academy \(video\)](#)

Additional Summer Learning Activities

Read a book with a trusted adult. Retell the story to your favorite stuffed animal.

UFLI lesson 8 decodable (p. 1) Counting with Dots page. (pp. 2-3)

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Lee un libro con un adulto leal. Vuelve a contar el cuento a tu peluche favorito.

Inglés: UFLI, lección 8

Contar con puntos

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 2 / día 2

Literacy

Take a virtual field trip and explore the sea otter webcam from the [Georgia Aquarium](#). What do you notice? What do you wonder?

Math

[Counting with Small Numbers on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Work through the Counting Flowers page (p. 4).

UFLI lesson 9 activities (p. 5-6).

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Toma una excursión virtual y explora la webcam de la nutria marina del “[Georgia Aquarium](#).” ¿Qué observa? ¿Qué se pregunta?

Matemáticas

[Cuenta con números pequeños en Khan Academy \(actividad\)](#)

Actividades adicionales de aprendizaje de verano

Trabaja en la página Contar flores (p.#)

Inglés: UFLI, lección 9

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 3 / día 3

15

Literacy

Identify the letters of the alphabet and practice writing them. Click [here](#) for support with letter formation.

Lectoescritura

Identifica las letras del alfabeto y practica escribiendolas. Haga clic [aquí](#) para más apoyo con la formación de letras.

Math

[Counting in Order on Khan Academy \(video\)](#)

Matemáticas

[Contar en orden en Khan Academy \(video\)](#)

Additional Summer Learning Activities

Make a grocery list together. Plan meals together for the next week and write down what you will need from the store. Use the planning sheet provided (p. 7).

Successive Numbers to 5 sheet (pp. 8-9).

UFLI lesson 10 activities (pp. 10-11).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Haga una lista del mercado juntos. Planea algunas comidas para la semana y escribe lo que necesitan del mercado. Usa la hoja de planificación (p.#)

Números siguientes hasta 5 (p.#)

Inglés: UFLI, lección 10

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 4 / día 4

Literacy

Write your name using chalk, paint, markers, etc. Say the letter names as you write. Repeat two more times.

Lectoescritura

Escribe su nombre usando tiza, pintura, marcadores, etc. Diga las letras mientras escribe. Repite dos veces más.

Math

[Counting in Order on Khan Academy \(activity\)](#)

Matemáticas

[Cuenta en orden en Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

Work through the Dice Addition sheet. (p. 12). Try your own equations with your own dice!
UFLI lesson 11 activities (pp 13-14).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Hoja de Sumar dados (p.#). Intenta tus propias ecuaciones con algunos dados.

Inglés: UFLI, lección 11

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 5 / día 5

15

Literacy

Look for words that start with the first letter of your name. Look around your house, at the store, in books, and more.

Math

[Counting with Jack Hartmann \(video\)](#)

[Kindergarten Math Games](#)

Additional Summer Learning Activities

Draw and write out birthday cards, thank you notes, and “just because” notes to neighbors, friends, and loved ones.

Greater Than, Less Than, or Equal To 5 sheet
(pp. 15-16)

UFLI lesson 14 activities (pp 17-18)

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Busca por palabras que empiecen con la primera letra de su nombre. Busca alrededor de su casa, en la tienda, en libros, y otros lugares.

Matemáticas

[Contar con Jack Hartmann \(video\)](#)

[Kindergarten Juegos de Matemáticas](#)

Actividades adicionales de aprendizaje de verano

Dibuja y escribe tarjetas para cumpleaños, notas de agradecimiento, notas de “porque sí” a vecinos, amigos y familiares.

Hoja de Mayor que, menor que, igual a hasta 5 (p.#)

Inglés: UFLI, lección 14

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 6 / día 6

15

Literacy

Watch [Clapping Clara](#) and practice clapping out the syllables in words.

Lectoescritura

Mira [Clapping Clara](#) en inglés y practica palmoteando las sílabas en palabras. Mira este [video de sílabas](#) en español.

Math

[Shapes video on Khan Academy](#)

Matemáticas

[La colección de figuras en Khan Academy](#)

Additional Summer Learning Activities

Practice counting with the Count and Match sheet (p 19).

UFLI lesson 15 activities (pp. 20-22).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Practicar contando con Contar y emparejar (p.#)

Inglés: UFLI, lección 15

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 7 / día 7

15

Literacy

Choose two stories to listen to on [Storyline Online](#). Are they alike? If so, how? How are they different?

Lectoescritura

Escoge y escucha dos historias en [Storyline Online](#) (en inglés) o [Árbol ABC](#) (en español). ¿Cómo se parecen? ¿Cómo se diferencian?

Math

[Recognizing Shapes on Khan Academy \(video\)](#)

Matemáticas

[Reconocer figuras en Khan Academy \(video\)](#)

Additional Summer Learning Activities

Identify the letters of the alphabet and practice writing them.
Same or Different with Two Groups page (pp. 23-24).
UFLI lesson 16 activities (pp 25-26).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Identificar las letras del alfabeto y practica escribiendolas.
Igual o diferente con dos grupos
Inglés: UFLI, lección 16
Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 8 / día 8

[Kindergarten Home](#)

Literacy

Follow along with The King Of Kindergarten on [Storyline Online](#). What do you think the little boy will tell his parents about Kindergarten when he gets home?

Lectoescritura

Escoge y escucha dos historias en [Storyline Online](#) (en inglés) o [Árbol ABC](#) (en español). ¿Cómo se parecen?

Math

[Naming Shapes Activity on Khan Academy](#)

Matemáticas

[Nombrar figuras en Khan Academy](#)

Additional Summer Learning Activities

Use the included BINGO board to play shape bingo with shapes and colors (p. 27).

UFLI lesson 17 activities (pp 28-30)
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Usa la tarjeta de BINGO (lotería) para jugar lotería con figuras y colores

Inglés: UFLI, lección 17

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 9 / día 9

15

Literacy

Practice writing your letters. Once you have the whole alphabet, trace the letters in a different color.

Lectoescritura

Practica escribiendo las letras. Cuando termine con el alfabeto, traza las letras en un color diferente.

Math

Go outside to find different [shapes](#) in nature. Look for circles, triangles, squares, rectangles, and hexagons. Did you find any other shapes?

Matemáticas

✦ Va afuera y busca diferentes [figuras](#) en la naturaleza. Busca los círculos, triángulos, cuadrados, rectángulos y hexágonos. ¿Busca algunas otras figuras?

Additional Summer Learning Activities

Practice counting items between 11-15 with the included sheet (p. 31).
UFLI lesson 18 activities (pp 32-33).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Practica contando artículos entre 11-15 con la hoja
Inglés: UFLI, lección 18
Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 10 / día 10

15

Literacy

Practice forming the first letter of your name with something different, like pom poms, play-doh, pipe cleaners, yarn, popsicle sticks, etc.

Lectoescritura

Practica formando la primera letra de su nombre con algo diferente como pompons, plastilina, limpiapipas, hilo, palitos de madera, etc.

Math

Watch this short [Brainpop Jr. video](#) on shapes and then take the easy quiz.

Matemáticas

Juega estos juegos para practicar la figuras geométricas: [Aprendamos las formas](#) y [Bingo formas](#)

Additional Summer Learning Activities

Look for words that start with the first letter of your name. Look around your house, at the store, in books, and more.

Count to 50 by Ones sheet (pp. 34-35).

UFLI lesson 19 activities (pp. 36-40).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Busca palabras que empiezan con la primera letra de tu nombre. Busca alrededor de tu casa, la tienda, en libros y más.

Contar hasta 50, uno en uno

Inglés: UFLI, lección 19

Practica destrezas en Freckle por 10-15 minutos.

Kindergarten Day 11 / día 11

15

Literacy

Draw pictures to make a schedule of your day. Include things like when you wake up, your meal times, play time, etc.

Lectoescritura

Dibuja imágenes para hacer un horario de su día. Incluye cosas como cuando se despierte, las horas que come, cuando juegues, etc.

Math

[What is Addition? Khan Academy video](#)

Matemáticas

[Introducción a la suma en Khan Academy \(video\)](#)

Additional Summer Learning Activities

Practice patterns with the included sheet (p. 41)

UFLI lesson 20 activities (pp 42-43).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Practica patrones con las hojas incluidas.

Inglés: UFLI, lección 20

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 12 - día 12

Literacy

Practice naming your letters with this [fun game](#).

Lectoescritura

Practica nombrando las letras con [este juego](#).

Math

[Add within Five on Khan Academy \(activity\)](#)

Matemáticas

[Suma números del 1 al 5 on Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

Count to 100 by Ones sheet (pp. 44-45)
UFLI lesson 21 activities (pp. 46-50)
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Contar hasta 100, uno en uno
Inglés: UFLI, lección 21
Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 13 - día 13

Literacy

Practice your letters with this fun [alphabet bingo game](#). You can choose letter names or letter sounds!

Lectoescritura

Practica las letras con [este juego](#).

Math

[Intro to Subtraction on Khan Academy \(video\)](#)

Matemáticas

[Introducción a la resta en Khan Academy \(video\)](#)

Additional Summer Learning Activities

Count with food! Ask your child to count things like baby carrots or apple slices as they have a snack or lunch.

UFLI lesson 22 activities (pp. 51-52).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

¡Cuenta con comida! Pregunta a su hijo/a contar objetos como zanahorias o rebanadas de manzana mientras come merienda o almuerzo.

Inglés: UFLI, lección 22

Practica destrezas en Freckle por 10-15 minutos.

Kindergarten Day 14 - día 14

15

Literacy

Practice your letters with magnetic letters on your refrigerator. If you don't have those, [click here for a virtual set!](#) You can practice with letters, numbers and shapes.

Lectoescritura

Practica las letras con letras magnéticas en su refrigerador. Si no las tiene, [haga clic aquí para una colección virtual](#). Puede practicar con letras, números y figuras.

Math

[Subtraction on Khan Academy \(activity\)](#)

Matemáticas

[Resta números del 1 al 5 en Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

Count and color on the provided sheet. (p. 53).

UFLI lesson 23 activities (pp 54-56).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Cuenta y colorea la hoja dada.

Inglés: UFLI, lección 23
Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 15 / día 15

Literacy

Play this [fun game](#) to practice tracing your numbers and letters.

Math

Find 10 objects in your house and sort them by size or color.

Additional Summer Learning Activities

Practice subtraction with the included sheet (p. 57).

UFLI lesson 24 activities (pp. 58-59).

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Escucha unas canciones de letras y practica trazando las letras con [123 Andres](#). Aprende a contar y escribir los números con [este video](#)

Matemáticas

Busca 10 objetos en su casa y ordenalas por tamaño o color.

Actividades adicionales de aprendizaje de verano

Practica restar con la hoja incluida.

Inglés: UFLI, lección 24

Practica destrezas en Freckle por 10-15 min

Kindergarten Day 16 / día 16

15

Literacy

Draw a picture that describes your favorite book. Can you add some words to your picture?

Lectoescritura

Haga un dibujo que describa su libro favorito. ¿Puede añadir algunas palabras a su dibujo?

Math

Measure Up!

Find five objects in your home. Order them from longest to shortest. Mix them up and do it again!

Matemáticas

Mide!

Busca cinco objetos en su casa. Ordena los objetos de lo más largo al más corto. Mezclalos y hágalo otra vez.

Additional Summer Learning Activities

Write the alphabet on the pavement with sidewalk chalk. Randomly call out letters and see if your child can spray the correct letters with water to make them disappear.

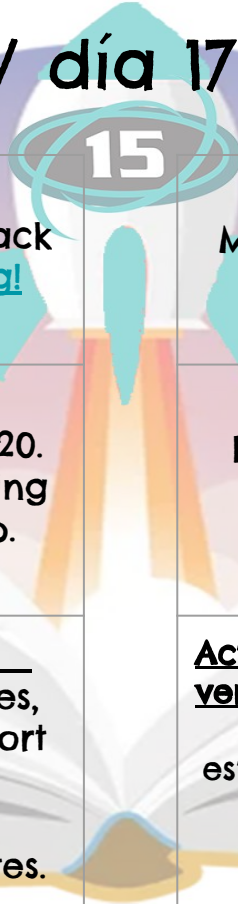

UFLI lesson 25 activities (pp. 60-64).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Escribe el alfabeto en una acera con tiza. Llama a unas letras aleatoriamente para ver si su hijo/a puede rociar las letras correctas con agua para hacerlas desaparecer.

Inglés: UFLI, lección 25
Practica destrezas en Freckle por 10-15 min

Kindergarten Day 17 / día 17

15

Literacy

Watch this video and sing along with Jack Hartmann's ["See It, Say It, Sign It" song!](#)

Lectoescritura

Mira [este video](#) y repite los sonidos de las letras.

Math

Practice reading your numbers from 1-20. Be silly and practice over and over, using different voices! Use [this chart](#) to help.

Matemáticas

Practica leyendo los números del 1 al 20. Practica una y otra vez, usando voces diferentes. Usa [esta tabla](#) como ayuda.

Additional Summer Learning Activities

Let your child collect things like marbles, stamps, etc. Then, work with them to sort by shape, color, or size.

UFLI lesson 26 activities (pp. 65-66).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Deja su hijo/a recolectar cosas como canicas, estampillas, etc. Luego, trabaja en clasificarlas por forma, color o tamaño.

Inglés: UFLI, lección 26

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 18 / día 18

Literacy

What is your favorite food? Draw a picture of it and try to write the first letter in the food's name.

Math

Use sidewalk chalk (outside), crayons or markers to write your numbers 1-10. Try drawing pictures to show each number.

Additional Summer Learning Activities

Paint the alphabet on the sidewalk with water.

UFLI lesson 27 activities (pp. 67-69).
Compare Groups to Find More sheet (pp. 70-71).

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

¿Cuál es su comida favorita? Hace un dibujo de la comida e intenta escribir la primera letra del nombre de la comida.

Matemáticas

Usa tiza en la acera afuera, crayones o marcadores para escribir los números 1 hasta 10. Intenta dibujar imágenes que representan cada número.

Actividades adicionales de aprendizaje de verano

Pinta el alfabeto en la acera con agua.

Inglés: UFLI, lección 27

Compara grupos para encontrar más
Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 19 / día 19

15

Literacy

Draw a picture about a time you were excited! What else do you remember about that time?

Math

Find ten objects around your house. Make sure to count them one-by-one. For more of a challenge, try counting 20 objects! Can you count 30?

Additional Summer Learning Activities

Count out up to five of two different items. Next, talk with your child about what they notice. Is there more of one item than the other? Less?

UFLI lesson 28 activities (pp. 72-73).
Practice skills on Freckle for 10-15 minutes.

Lectoescritura

¡Hace un dibujo de una vez cuando estaba entusiasmada! ¿Qué más recuerda sobre esta vez?

Matemáticas

Busca diez objetos alrededor de su casa. Cuenta los objetos uno a uno. around your house. Para más de un desafío, intenta 20 objetos. ¿Puede contar 30 objetos?

Actividades adicionales de aprendizaje de verano

Cuenta hasta cinco con dos artículos diferentes. Después, habla con su hijo/a sobre lo que anota. ¿Hay más de un artículo que del otro? ¿Hay menos?

Inglés: UFLI, lección 26

Practica destrezas en Freckle por 10-15 min.

Kindergarten Day 20 / día 20

Literacy

Follow along with [The Rainbow Fish on Storyline Online](#). What was so special about Rainbow Fish? Was the Rainbow Fish a good friend to the little blue fish? Draw a picture showing how you are a good friend.

Math

Practice adding smaller numbers by rolling two dice and adding the two numbers. Try subtracting, too! Use these [online dice](#) if you don't have some at home.

Additional Summer Learning Activities

Have your child tell you all about their favorite day so far this summer. Prompt them to explain parts with more details. Practice skills on Freckle for 10-15 minutes.

15

Lectoescritura

Sigue con [El pez arcoiris](#) ¿Qué era tan especial sobre el "Rainbow Fish?" Era un buen amigo al pequeño pez azul? Hace un dibujo que demuestra como eres un buen amigo.

Matemáticas

Practica sumando números menores por tirar dos dados y sumar los dos números. Intenta restar también! Usa [estos dados virtuales](#) si no tenga algunos dados en casa.

Actividades adicionales de aprendizaje de verano

Haga que su hijo/a le cuente todo sobre su día favorito hasta ahora este verano. Pídale que explique las partes con más detalle. Practica destrezas en Freckle por 10-15 min.

First Grade / Primer grado

UFLI lesson 35a activities (pp. 1-3)
How Many in All page (pp. 4-5).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 35a
¿Cuántos hay en total?
Practica destrezas en Freckle por 10-15 min.

First Grade Day 2 / Primer grado día 2

Literacy

Choose two stories to listen to on [Storyline Online](#). Are they alike? If so, how? How are they different?

Lectoescritura

Escoge y escucha dos historias en [Storyline Online](#) (en inglés) o [Árbol ABC](#) (en español).
¿Cómo se parecen? ¿Cómo se diferencian?

Math

[Counting with small numbers on Khan Academy \(Activity\)](#)

Matemáticas

[Cuenta con números pequeños en Khan Academy \(Activity\)](#)

Additional Summer Learning Activities

UFLI lesson 35b activities (pp. 6-7)
Take Apart Numbers 6 and 7 sheet (pp. 8-9).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 35b
Partir los números 6 y 7
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 3 / Primer grado día 3

Literacy

Virtual Field trip to the Georgia Aquarium! Take a look at this [beluga whale webcam](#). What do you notice about the beluga whales? What do you wonder?

Lectoescritura

Toma una excursión virtual al "Georgia Aquarium." Mira esta [webcam de la ballena beluga](#) ¿Qué observa de las ballenas beluga? ¿Qué se pregunta?

Math

[Counting in Order on Khan Academy \(video\)](#)

Matemáticas

[Contar en orden en Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 35c activities (pp. 10-11)
Practice subtraction facts with the included Snakes and Ladders game board (p. 12).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 35c
Practica las restas básicas con el juego "Snakes and Ladders" usando el tablero de juego.
Practica destrezas en Freckle por 10-15 min.

First Grade Day 4 / Primer grado día 4

<u>Literacy</u> Practice writing all the names of your family members in alphabetical order.	<u>Lectoescritura</u> Practica escribiendo sus nombres y después, escribe sus nombres en orden alfabético.
<u>Math</u> <u>Count in Order on Khan Academy (activity)</u>	<u>Matemáticas</u> <u>Cuenta en orden en Khan Academy (actividad)</u>

Practice skills on Freckle for 10-15 minutes.	<u>Actividades adicionales de aprendizaje de verano</u> Inglés: UFLI, lección 36 Componer y descomponer números 1-10 Practica destrezas en Freckle por 10-15 min.

First Grade Day 5 / Primer grado día 5

Literacy

Practice your sight words with this [fun game](#).

Lectoescritura

Practica las palabras de alta frecuencia en inglés con este [juego divertido](#). Puede practicar leyendo las palabras de alta frecuencia en español: [50 palabras de alta frecuencia](#)

Math

[Find one more or one less than a number on Khan Academy \(activity\)](#)

Matemáticas

[Encuentra 1 más o 1 menos que un número en Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

UFLI lesson 37 activities (pp. 17-19).
Count to 50 by Tens sheet (pp. 20-21).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 37
Cuenta hasta 50, diez en diez
Practica destrezas en Freckle por 10-15 min.

First Grade Day 6 / Primer grado día 6

15

Literacy

Write your name, high frequency words, or the names of your family members outside with sidewalk chalk.

[Link to High Frequency Words](#)

Lectoescritura

Escribe su nombre, palabras de alta frecuencia o nombres de los miembros de su familia en la acera afuera con tiza.

[50 palabras de alta frecuencia](#)

Math

[Missing Numbers on Khan Academy \(activity\)](#)

Matemáticas

[Encuentra el número faltante en Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

UFLI lesson 38 activities (pp. 22-23).
Practice number bonds with the included activity (p. 24). Can you write out the equations?
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 38
Practica los enlaces numéricos (number bonds) con la actividad dada. ¿Puedes escribir las ecuaciones numéricas?
Practica destrezas en Freckle por 10-15 min.

First Grade Day 7 / Primer grado día 7

Literacy

What is your favorite outdoor game?
Practice writing the directions and see if
your friends can follow them.

Math

[Number Grid on Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 39 activities (pp. 25-28).
Unknown Part of 10 sheet (pp. 29-30).
Practice skills on Freckle for 10-15 minutes.

Lectoescritura

¿Cuál es tu juego al aire libre favorito?
Practica escribiendo las instrucciones y
comprueba si tus amigos pueden seguirlas.

Matemáticas

[Cuadrícula de números en Khan Academy \(video\)](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 39
Parte desconocido del 10
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 8 / Primer grado día 8

Literacy

Practice your letters some more with this fun [alphabet game](#).

Lectoescritura

Practica las letras más con este [juego alfabético](#) divertido.

Math

[Missing Numbers between 0 and 120 \(video\)](#)

Matemáticas

[Números faltantes entre 0 y 120 \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 40 activities (pp. 31-32).
Compare Numbers 1 to 50 sheet (pp. 33-34).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 40
Comparar números 1 hasta 50
Practica destrezas en Freckle por 10-15 min.

First Grade Day 9 / Primer grado día 9

Literacy

Write a story about a time you were very happy.

Lectoescritura

Escribe un cuento sobre una vez cuando estaba muy contento.

Math

[Numbers to 100 on Khan Academy \(activity\)](#)

Matemáticas

[Números hasta 100 en Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

UFLI lesson 41 activities (pp. 35-37).
Count to 100 by Tens sheet (pp. 38-39).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 41
Contar hasta 100, 10 en 10
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 10 / Primer grado día 10

Literacy

Follow along with any story you choose on [Storyline Online](#). Retell it to a family member. Do you remember who the characters are and what happened in the story?

Lectoescritura

Sigue con una historia que escoge en [Storyline Online](#) (en inglés) o [Árbol ABC](#) (en español). Vuelve a contar la historia a un miembro de su familia. ¿Recuerda quienes son los personajes y que paso en la historia?

Math

[Counting by Tens on Khan Academy](#)
[\(video\)](#)

Matemáticas

[Contar por decenas en Khan Academy](#)
[\(video\)](#)

Additional Summer Learning Activities

UFLI lesson 42 activities (pp. 40-42). Practice counting to 100 with ones by completing the included activity sheet (p. 43).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 42
Practica contando hasta 100 con unidades
Practica destrezas en Freckle por 10-15 minutos

First Grade Day 11 / Primer grado día 11

Literacy **Monster Mash!**

- Listen to the book [I Need My Monster](#) on Storyline Online.
- Use any supplies to create and design your own monster! Supplies may include, recycled materials, art tools, craft supplies, etc...
- Tell someone about the features that make your monster super special.

Math [Count Tens activity](#)

Additional Summer Learning Activities

UFLI lesson 43 activities (pp. 44-46).
Group Ones into Tens and Ones sheet (pp. 47-48).
Practice skills on Freckle for 10-15 minutes.

Lectoescritura **Monster Mash!**

- Escucha el libro [Quiero a mi monstruo](#) en Storyline Online.
- Usa algunos suministros para crear y diseñar su propio monstruo! de any supplies to create and design your own monster! Los suministros pueden incluir materiales reciclados, herramientas de arte, suministros de manualidades, etc...
- Cuenta a alguien sobre las características que hace su monstruo muy especial.

Matemáticas [Cuenta de diez en diez \(actividad\)](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 43
Agrupar unidades en decenas y unidades
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 12 / Primer grado día 12

Literacy

- Identify the letters of the alphabet and practice writing them. Click [here](#) for support with letter formation.
- Watch this [video](#) to practice the sounds they make!
- Look for words that start with the first letter of your name. Look around your house, on store signs, menus, street signs, and in books.

Math

- Practice [Counting On](#) with Jack Hartmann.

Additional Summer Learning Activities

UFLI lesson 44 activities (pp. 49-51)
Work through the included monster graphing activity (p. 52).
Practice skills on Freckle for 10-15 minutes.

Lectoescritura

- Identifica las letras el alfabeto y practica leyendolas. Haga clic [aquí](#) para más apoyo con la formación de las letras.
- Mira este [video](#) para practicar los sonidos que hacen las vocales.
- Busca palabras que empiecen con la primera letra de su nombre. Mira alrededor de su casa, en señales de tiendas, menús, carteles indicadores, store signs, street signs, y en libros.

Matemáticas

- Practica ordenando los números 20 hasta 100 con [este juego](#).

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 44
Completa la actividad de gráficas de monstruos

First Grade Day 13 / Primer grado día 13

Literacy

Watch [Clapping Clara](#) and practice clapping out syllables in words. How many syllables are in your name?

Lectoescritura

Mira [Clapping Clara](#) en inglés y practica palmoteando las sílabas en palabras. Mira este [video de sílabas](#) en español. ¿Cuántas sílabas hay en su nombre?

Math

[Comparing numbers of objects on Khan Academy \(video\)](#)

Matemáticas

[Comparar números de objetos en Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 45 activities (pp. 53-55).
Find 10 More than a Number sheet (pp. 57).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 45
Halla 10 más que un número
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 14 / Primer grado día 14

15

Literacy

Play this [fun game](#) and practice many different things like letters, vowels, and consonants!

Lectoescritura

Juegue algunos [juegos divertidos](#) para practicar diferentes cosas como letras, vocales y sílabas.

Math

[Compare numbers of objects on Khan Academy \(activity\)](#)

Matemáticas

[Compara números de objetos en Khan Academy \(actividad\)](#)

Additional Summer Learning Activities

UFLI lesson 46 activities (pp. 58-59).

Practice number ordering by completing the included activity sheet (p. 60).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 46

Practica ordenando los números
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 15 / Primer grado día 15

Literacy

Talk to a family member about a time you were nervous. Can you write or draw a picture about it?

Lectoescritura

Habla con un miembro de su familia sobre una vez cuando estaba nervioso. ¿Puede escribir o hacer un dibujo de esta vez?

Math

[Comparing Numbers on the Number Line on Khan Academy \(video\)](#)

Matemáticas

[Comparar números en la recta numérica en Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 47 activities (pp. 61-63)
Complete the Place Value activity sheet (p. 64).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 47
Completa la actividad de valor posicional
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 16 / Primer grado día 16

Literacy

Write a story or draw a picture about your favorite day at school. What were some of the things that happened or that you did in class?

Lectoescritura

Escribe un cuento o hace un dibujo de tu día favorito en la escuela. ¿Cuáles fueron algunas de las cosas que pasaron o que hizo en su clase?

Math

Comparing Numbers to Ten (activity)

Matemáticas

Comparar números hasta 10 (actividad)

Additional Summer Learning Activities

UFLI lesson 48 activities (pp. 65-66)
Model Tens and Ones sheet (pp. 67-68).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 48
Modelar con decenas y unidades
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 17 / Primer grado día 17

15

Literacy

Follow along with Clark the Shark on [Storyline Online](#). Can you tell a family member three rhymes that Clark used in the book?

Lectoescritura

Sigue con [Gastón Tiburón](#). ¿Puede contar a un miembro de su familia tres rimas que escucho en el libro?

Math

Can you write all the numbers up to 100?
Can you go higher?

Matemáticas

¿Puede escribir todos los números hasta 50?
¿Puede seguir contando hacia adelante?

Additional Summer Learning Activities

UFLI lesson 49 activities (pp. 69-71).
Practice counting on by completing the included activity page (p. 72).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 49
Practica contando hacia adelante con la actividad
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 18 / Primer grado día 18

Literacy

Play this [fun game](#) to practice your consonant blends!

Lectoescritura

Mira estos videos de 123 Andrés para practicar sílabas trabadas.

[Sílabas Trabadas con R](#)
[Fonética con L](#)

Math

- Use a deck of cards to create a two digit number.
- Flip a card and put it in the ones place.
- Flip another card and put it in the tens place.
- Say the number. Write the number.
- [Place Value Chart](#)

Matemáticas

- Usa una baraja de cartas para crear un número de dos dígitos.
- Voltea una carta y ponla en el lugar de unidades.
- Voltea una carta y ponla en el lugar de decenas..
- Diga el número. Escribe el número.
- [Tablero de valor posicional](#)

Additional Summer Learning Activities

UFLI lesson 50 activities (pp. 73-74).
Compare Numbers 1-50 Using <,>, or =
(pp. 75-76).
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 50
Comparar números 1-50 usando <,>, o =
Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 19 / Primer grado día 19

Literacy

A series is a group of books by the same author with the same themes and characters. Read a couple of books from a series and talk with someone about what you notice. What is the same? What is different? For extra fun create your own book to add to the series!

Here are some ideas of great book series:

- *Biscuit* by Alyssa Satin Capucilli
- *If You Give...* by Laura Numeroff
- *Elephant and Piggie* by Mo Willems
- *Fly Guy* by Ted Arnold

Math

[Try this addition game!](#)

Additional Summer Learning Activities

UFLI lesson 51 activities (pp. 77-79).

Practice decomposing numbers 10-20 by completing the included activity page (p. 80).

Practice skills on Freckle for 10-15 minutes.

Literacy

Una serie es un conjunto de libros del mismo autor con los mismos temas y personajes. Lee unos libros de una serie y hable con alguien de lo que se da cuenta. ¿Qué se parecen? ¿Qué se diferencian? Para más diversión, crea su propio libro para añadir a la serie.

Aquí hay algunas ideas de series de libros:

- *Bizcocho* por Alyssa Satin Capucilli
- *Si le das...* por Laura Numeroff
- *Elefante y Cerdita* por Mo Willems
- *Hombre mosca* por Ted Arnold

Math

[Intenta este juego de suma!](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 51

Practica descomponiendo los números 10-20 con la actividad

Practica destrezas en Freckle por 10-15 minutos.

First Grade Day 20 / Primer grado día 20

15

Literacy

Practice your rhyming words with this [fun game!](#)

Literacy

Practica [rimas cortas](#) en ArbolABC o mira [este video](#) para escuchar unas rimas.

Math

Have fun popping balloons in this fun [subtraction game.](#)

Math

¡Se divierte explotando burbujas en este [juego de resta!](#)

Additional Summer Learning Activities

UFLI lesson 52 activities (pp. 81-82).
First, Second, or Last activity sheet (p. 83).

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 52
Actividad de primero, segundo, final
Practica destrezas en Freckle por 10-15 minutos.

Second Grade / Segundo grado

Use the links below for daily activities

Usa los enlaces debajo para las actividades diarias.

<u>Day 1</u>	<u>Day 2</u>	<u>Day 3</u>	<u>Day 4</u>	<u>Day 5</u>
<u>Day 6</u>	<u>Day 7</u>	<u>Day 8</u>	<u>Day 9</u>	<u>Day 10</u>

Second Grade Day 1 / Segundo grado día 1

15

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

Lectoescritura

- Lee con la Biblioteca pública de McHenry
 - Registrarse para una tarjeta temporal/Libby: [Instrucciones](#)

Math

[Greater Than and Less Than on Khan Academy \(video\)](#)

Matemáticas

[Símbolos "mayor que" y "menor que" en Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 77 activities
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 77
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 2 / Segundo grado día 2

Literacy

Review your sight words with this fun [Bingo game!](#)

Lectoescritura

Repasa las palabras de alta frecuencia en inglés con [este juego.](#)

Math

[Compare Two Digit Numbers \(activity\)](#)

Matemáticas

[Compara números de 2 dígitos \(actividad\)](#)

Additional Summer Learning Activities

Complete the included activity pages on counting money.

UFLI lesson 78 activities

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 78

Practica destrezas en Freckle por 10-15 minutos.

15

Second Grade Day 3 / Segundo grado día 3

Literacy

Create words until you discover the mystery word.

Lectoescritura

Cree palabras con 2, 3 y 4 sílabas.

Math

Compare Two Digit Numbers part 2

Matemáticas

Compara números de 2 dígitos (parte 2)

Additional Summer Learning Activities

UFLI lesson 79 activities
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 79
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 4 / Segundo grado día 4

15

Literacy

Act out a favorite character from a book. Next, act out a favorite scene from a book using that character's voice and expression. Use props or costumes for added fun!

Lectoescritura

Actúa un personaje favorito de un libro favorito. Después, actúa un escenario favorito del libro usando la voz y expresión del personaje. ¡Usa utilería o vestuario para más diversión!

Math

Watch this Comparing Numbers clip on [Brain Pop Jr.](#) and try the quiz!

Matemáticas

Mira este video, comparar números, en [Brain Pop Jr.](#) e intenta la prueba.

Additional Summer Learning Activities

Complete the included activity page on non-standard measurement.

UFLI lesson 80 activities

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 80

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 5 / Segundo grado día 5

Literacy

Practice Alliteration with this [fun game](#).

Lectoescritura

Practica aliteración con este juego divertido [fun game](#).

Math

Have fun playing this game on [comparing numbers](#)

Matemáticas

Diviértete jugando este juego de comparar números [comparing numbers](#)

Additional Summer Learning Activities

UFLI lesson 81 activities
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 81
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 6 / Segundo grado día 6

Literacy

Choose any book from [Storyline Online](#). Write, draw, or tell someone about how the story began, what happened in the middle, and how the story ended.

Math

[Ordering by Length on Khan Academy](#)
[\(video\)](#)

Additional Summer Learning Activities

Complete the included activity page on matching money.

UFLI lesson 82 activities

Practice skills on Freckle for 10-15 minutes.

15

Lectoescritura

Escoge una historia de [Storyline Online](#) (en inglés) o [Árbol ABC](#) (en español). Escribe, dibuja o cuenta a alguien como comenzó la historia, lo que paso en el medio y como terminó la historia.

Matemáticas

[Ordenar por longitud en Khan Academy](#)
[\(video\)](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 82

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 7 / Segundo grado día 7

Literacy

Choose an article from [PebbleGo](#).
Read it on your own or with a buddy.
Write or draw two new facts the author wants the reader to learn.

Math

[Order by Length on Khan Academy](#)
[\(activity\)](#)

Additional Summer Learning Activities

UFLI lesson 83 activities
Practice skills on Freckle for 10-15 minutes.

15

Lectoescritura

Escoge un artículo en [PebbleGo](#). Lee el artículo solo o con un amigo. Escribe o dibuja dos hechos nuevos que el autor quiere que el lector aprenda.

Matemáticas

[Ordenar por longitud en Khan Academy](#)
[\(actividad\)](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 83
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 8 / Segundo grado día 8

Literacy

- Do something today that you could write about.
- Some examples are: playing a game, playing with a pet, helping your family, making cookies, etc.
- Write about what you did and what happened.

Math

[Indirect Measurement on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Complete the included activity page on fact families.

UFLI lesson 84 activities

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

- Haga algo hoy para que pueda escribir sobre la actividad.
- Algunos ejemplos son: jugar un juego, jugar con una mascota, ayudar a su familia, hornear galletas, etc.
- Escribe sobre lo que hizo y qué ocurrió.

Matemáticas

[Medición indirecta en Khan Academy \(actividad\)](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 84

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 9 / Segundo grado día 9

15

Literacy

Write high frequency words, your address, or the names of your family members outside with sidewalk chalk.

[Link to High Frequency Words](#)

Lectoescritura

Escribe las palabras de alta frecuencia, su dirección, o nombres de sus familiares en la cerca afuera con tiza.

[100 palabras de alta frecuencia](#)

Math

[Measuring Length on Khan Academy \(video\)](#)

Matemáticas

[Medir longitud en Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 85 activities
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 85
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 10 / Segundo grado día 10

Literacy

Choose a topic to learn more about on [PebbleGo](#). Write three sentences about what you learned. You can draw pictures, too!

Lectoescritura

Escoge un tema en [Pebble Go](#) del que quieras aprender más. Escribe tres oraciones de qué aprendió. Puede hacer dibujos también!

Math Measuring Length

Matemáticas Medir longitudes

Additional Summer Learning Activities

Complete the included activity pages on time bingo.

UFLI lesson 86 activities

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 86

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 11 / Segundo grado día 11

15

Literacy

Follow along to the folktale The Empty Pot on [Storyline Online](#). Folktales are cultural stories that teach a lesson. What lesson did you learn from this story?

Lectoescritura

Siga con el cuento folklórico, [La maceta vacía](#). Cuentos folklóricos son cuentos culturales que enseñan una lección. ¿Qué lección aprendió del cuento?
[Version del arbolabc.com](#)

Math

Try this fun game where you get to help [measure length](#) with gnomes!

Matemáticas

Intenta este juego divertido en donde ayuda [medir longitud](#) con gnomos!

Additional Summer Learning Activities

Complete the included activity pages on telling time to the half hour.

UFLI lesson 87 activities

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 87

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 12 / Segundo grado día 12

Literacy

Use [PebbleGo](#) to read about Astronauts. Write a couple sentences telling if you would like to be an astronaut when you grow up. Why or why not?

Lectoescritura

Usa [PebbleGo](#) (en McHenry Connects) para leer sobre los astronautas. Escribe unas oraciones contando si le gustaría ser astronauta cuando crezca. ¿Por qué sí o por qué no?

Math

[Khan Academy video on addition with regrouping](#)

Matemáticas

[Khan Academy video, sumas del 1 al 20](#)

[Video, parte 2](#)

Additional Summer Learning Activities

UFLI lesson 88 activities
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 88
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 13 / Segundo grado día 13

Literacy

A series is a group of books by the same author with the same themes and characters. Read a couple of books from a series and talk with someone about what you notice. What is the same? What is different? For extra fun create your own book to add to the series!

Here are some ideas of great book series:

- *Biscuit* by Alyssa Satin Capucilli
- *If You Give...* by Laura Numeroff
- *Elephant and Piggie* by Mo Willems
- *Fly Guy* by Ted Arnold

Math

Adding with regrouping activity

Additional Summer Learning Activities

Complete the included activity pages on 2 digit addition.

UFLI lesson 89 activities

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Una serie es un conjunto de libros del mismo autor con los mismos temas y personajes. Lee unos libros de una serie y hable con alguien de lo que se da cuenta. ¿Qué se parecen? ¿Qué se diferencian? Para más diversión, crea su propio libro para añadir a la serie.

Aquí hay algunas ideas de series de libros:

- *Bizcocho* por Alyssa Satin Capucilli
- *Si le das...* por Laura Numeroff
- *Elefante y Cerdita* por Mo Willems
- *Hombre mosca* por Ted Arnold

Matemáticas

Suma números hasta 20

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 89

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 14 / Segundo grado día 14

Literacy

Practice your syllables with this [fun game](#).

Math

Now that you are a wiz at addition, let's try adding three numbers! Check out the [video here](#).

Additional Summer Learning Activities

Complete the included place value sort.

UFLI lesson 90 activities
Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Practica sus sílabas con este [juego divertido](#).

Matemáticas

Ahora que es usted un genio de sumar, ¡intenta sumar tres números! Mira este video [aquí](#).

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 90
Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 15 / Segundo grado día 15

Literacy

It's time to practice consonant blends with this [fun game!](#)

Math

[Adding three numbers activity](#)

Additional Summer Learning Activities

UFLI lesson 91 activities
Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Es hora de practicar grupos consonánticos con este [video interactivo](#).

Matemáticas

[Suma 3 números \(actividad\)](#)

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 91
Practica destrezas en Freckle por 10-15 minutos.

15

Second Grade Day 16 / Segundo grado día 16

Literacy

Read your favorite book or have an adult read it to you. What words pop into your head as you read it or listen to it? Create a [word cloud here](#) for your favorite book.

Math

- Use a deck of playing cards and pick two.
- Use the numbers to write an addition problem.
Example: $2+2=$
- Solve the problem.
- Repeat

Additional Summer Learning Activities

Complete the included activity pages on telling time.

UFLI lesson 92 activities

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Lee su libro favorito o tenga que un adulto lo lee en voz alta. ¿Cuales palabras llegan a su cabeza mientras lo lee o escucha? Cree una nube de palabras [aquí](#) para su libro favorito.

Matemáticas

- Usa una baraja de cartas y escoge dos.
- Usa los números para escribir un problema de suma. Ejemplo: $2+2=$
- Resolver el problema.
- Repetir

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 92

Practica destrezas en Freckle por 10-15

Second Grade Day 17 / Segundo grado día 17

Literacy

Practice alphabetizing words with this [fun game](#).

Lectoescritura

Practica ordenando palabras alfabéticamente con [este juego](#) en inglés.

Math

[Subtraction with place value blocks](#)
[Khan Academy \(video\)](#)

Matemáticas

[Restar dentro de 20 Khan Academy \(video\)](#)

Additional Summer Learning Activities

UFLI lesson 93 activities
Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 93
Practica destrezas en Freckle por 10-15 minutos.

15

Second Grade Day 18 / Segundo grado día 18

15

Literacy

Watch this [Brainpop Jr. video about making predictions](#) and try the quiz!

Lectoescritura

Mira este video de [como hacer predicciones](#).
Escoge un libro y usa lo que aprendió para hacer predicciones.

Math

[Subtract with place value blocks practice](#)

Matemáticas

[Resta números hasta 20 \(practica\)](#)

Additional Summer Learning Activities

Complete the included activity pages on measurement.

UFLI lesson 94 activities

Practice skills on Freckle for 10-15 minutes.

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 94

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 19 / Segundo grado día 19

Literacy

Learn about nouns with this [fun game](#).

Math

- Use a deck of playing cards and pick two.
- Use the numbers to write a subtraction problem. Be sure to write the larger number first. Example: $4-2=$
- Solve the problem.
- Repeat

Additional Summer Learning Activities

UFLI lesson 95 activities

Practice skills on Freckle for 10-15 minutes.

Lectoescritura

Aprende sobre verbos, artículos, adverbios y adjetivos cuando juega [estos juegos de lenguaje](#).

Matemáticas

- Usa una baraja de cartas y escoge dos.
- Usa los números para escribir una problema de resta. Asegurarse que escribe el número mayor primero. Ejemplo: $4-2=$
- Resolver el problema.
- Repetir

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 95

Practica destrezas en Freckle por 10-15 minutos.

Second Grade Day 20 / Segundo grado día 20

Literacy

Practice your punctuation with this [fun game!](#)

Lectoescritura

Practica su puntuación con [este juego](#) en inglés!

Math

Have fun playing this addition and subtraction [game](#).

Matemáticas

Se divierte con [este juego](#) de suma y resta.

Additional Summer Learning Activities

Complete the included math riddle page. Can you write your own?

Actividades adicionales de aprendizaje de verano

Inglés: UFLI, lección 96

UFLI lesson 96 activities
Practice skills on Freckle for 10-15 minutes.

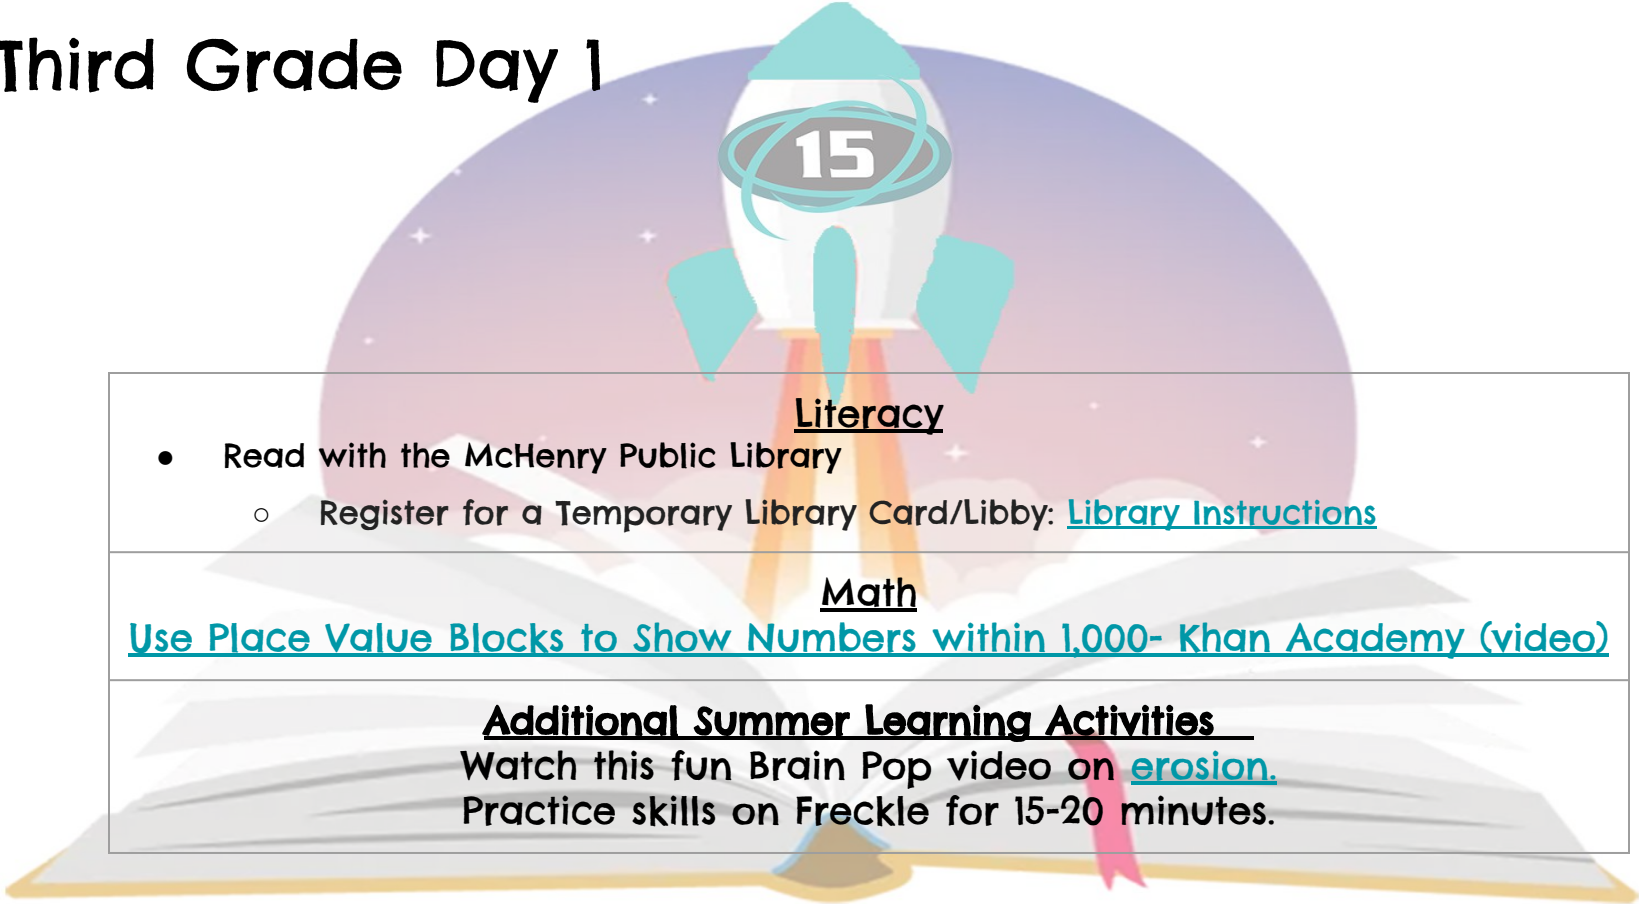

Practica destrezas en Freckle por 10-15 minutos.

Third Grade

Use the links below for daily activities

<u>Day 1</u>	<u>Day 2</u>	<u>Day 3</u>	<u>Day 4</u>	<u>Day 5</u>
<u>Day 6</u>	<u>Day 7</u>	<u>Day 8</u>	<u>Day 9</u>	<u>Day 10</u>
<u>Day 11</u>	<u>Day 12</u>	<u>Day 13</u>	<u>Day 14</u>	<u>Day 15</u>
<u>Day 16</u>	<u>Day 17</u>	<u>Day 18</u>	<u>Day 19</u>	<u>Day 20</u>

Third Grade Day 1

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

Math

[Use Place Value Blocks to Show Numbers within 1,000- Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [erosion](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 2

Literacy

Read *The Giving Tree* or follow along on [Storyline Online](#). What are some character traits of the boy? Of the tree? Find some examples in the text that support your thoughts.

Math

[Place Value Blocks within 1,000- Khan Academy activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [branches of government](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 3

Literacy

- Do something today that you could write about.
- Some examples are: playing a game, playing with a pet, helping your family, making cookies, etc.
- Write about what you did and what happened.
- Tell the story in order. What happened first? Next? Last?

Math

[Place Value Tables within 1,000 on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [lab safety](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 4

15

Literacy

Use this link to take a virtual field trip on the [International Space Station](#).
Write about what you noticed.

Math

[Place Value Tables within 1,000 on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [citizenship](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 5

15

Literacy

Watch this video on [text evidence](#).

Watch this video on [messages and morals](#).

Math

Practice [Place Value](#) with this fun game.

Additional Summer Learning Activities

Watch this fun Brain Pop video on [photosynthesis](#)

Practice skills on Freckle for 15-20 minutes.

Third Grade Day 6

15

Literacy

Watch these two videos on [character actions](#) and [pictures in a story](#).
Next, try this [reading activity](#).

Math

[Adding With Arrays on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [democracy](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 7

15

Literacy

Watch these videos on [summarizing](#) and [characters' thoughts and feelings](#).
Summarize your favorite story to a friend or family member.

Math

[Adding With Arrays on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [rivers](#)
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 8

15

Literacy

Watch these videos on [point of view](#) and [comparing multiple books](#).
Now, try this [activity](#) on a fairy tale with a new twist.

Math

[Using Arrays in Word Problems on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [geography](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 9

15

Literacy

Check out this fun game on [subject-verb agreement](#).

Math

[Array Word Problems on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brainpop movie on [volcanoes](#)

Practice skills on Freckle for 15-20 minutes.

Third Grade Day 10

15

Literacy

Practice compound words with this [silly game](#).

Math

- Practice your basic multiplication facts with this [fun game](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Jackie Robinson](#).

Practice skills on Freckle for 15-20 minutes.

Third Grade Day 11

15

Literacy

- Select and watch a movie that you haven't seen before.
- Write a review of the movie:
 - What did you like?
 - Is there anything you didn't like?
 - Rate the movie on a scale of 1-10.
 - Who would you recommend this movie for?
- Share your review with someone in your family.

Math

[Even and Odd Numbers on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Jane Goodall](#)
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 12

15

Literacy

- Use some of these [High Frequency Words](#) to write a short story.
- Make sure your story has a beginning, middle, and an end.

Math

[Even and Odd Numbers on Khan Academy \(Activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [latitude and longitude](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 13

15

Literacy

Watch these short videos on [context clues](#) and [affixes](#). Then, complete this [activity](#).

Math

[Telling Time with a Number Line on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Martin Luther King, Jr.](#)
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 14

15

Literacy

Watch these short videos on [inferences](#) and [elements of drama](#). After that, complete this [activity](#).

Math

[Telling Time on a Number Line Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [main idea](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 15

15

Literacy

Watch this short video on [poetry elements](#), then complete the [activity](#).

Math

[Telling Time on a Labeled Clock on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [parts of speech](#).

Practice skills on Freckle for 15-20 minutes.

Third Grade Day 16

15

Literacy

Complete this [activity](#) on a poem about the moon.

Math

[Telling time to the hour or half hour \(Khan Activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [setting](#).
Practice skills on Freckle for 15-20 minutes.

Third Grade Day 17

15

Literacy

Have fun practicing homophones with this [fun game](#).

Math

Watch this [Brainpop Jr. video](#) on Telling Time to the Hour

Additional Summer Learning Activities

Watch this fun Brain Pop video on [multiplication](#).

Practice skills on Freckle for 15-20 minutes.

Third Grade Day 18

Literacy

- Go outside at night with someone from your home and pay careful attention to your five senses.
- After you look at the night sky, write about your experience. What did you see, smell, hear, feel, and maybe taste?

Math

[Telling Time on a Clock on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Mystery Science video on [erosion and sand](#).

Practice skills on Freckle for 15-20 minutes.

Third Grade Day 19

Literacy

Check out this [Wonderopolis](#) about space. Curious about what actual astronauts take with them into space? Do some research on the [International Space Station](#) , where astronauts stay for weeks and months at a time. You can learn more about the space station and even see a video that will take you on a tour. Do you think you'd want to spend months at the International Space Station? Why or why not? What would be fun? What would you miss about Earth?

Math

- Draw a clock. Show what time you go to bed at night.
- Draw another clock. Show what time you wake up in the morning.
- What would those times look like on a digital clock?

Additional Summer Learning Activities

Watch this fun Mystery Science video on the [work of water](#). Practice skills on Freckle for 15-20 minutes.

Third Grade Day 20

Literacy

- Click here to [learn more about why the oceans do not drain through the sand.](#)
- Read or listen to the article.
- Do the Wonder Word Challenge.
- Watch the video.
- Complete a Try it Out Challenge.

Math

Practice telling time by playing this [fun game!](#)

Additional Summer Learning Activities

Watch this fun Mystery Science video on [habitats](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade

Use the links below for daily activities

<u>Day 1</u>	<u>Day 2</u>	<u>Day 3</u>	<u>Day 4</u>	<u>Day 5</u>
<u>Day 6</u>	<u>Day 7</u>	<u>Day 8</u>	<u>Day 9</u>	<u>Day 10</u>
<u>Day 11</u>	<u>Day 12</u>	<u>Day 13</u>	<u>Day 14</u>	<u>Day 15</u>
<u>Day 16</u>	<u>Day 17</u>	<u>Day 18</u>	<u>Day 19</u>	<u>Day 20</u>

Fourth Grade Day 1

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

Math

[Numbers in Different Forms on Khan Academy \(video\)](#)

[Word Form and Expanded Form on Khan Academy \(video\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [ecosystems](#)
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 2

15

Literacy

- Select and watch a movie that you haven't seen before.
- Write a review of the movie:
 - What did you like?
 - Is there anything you didn't like?
 - Rate the movie on a scale of 1-10.
 - Who would you recommend this movie for?
- Share your review with someone in your family.

Math

[Writing numbers in different forms on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [food chains](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 3

15

Literacy

Practice parts of speech with this [game](#).

Math

Play this fun place value [game!](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [scientific process](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 4

Literacy

Watch these short videos on:

- [Summarizing nonfiction](#)
- [What is Main Idea?](#)

Math

Try this fun [place value game](#) to reveal a mystery picture!

Additional Summer Learning Activities

Watch this fun Brain Pop video on [weather](#).
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 5

Literacy

Complete the following on Khan Academy:

- [Video on Finding Connections](#)
- [Video on Text Features](#)
- [Reading informational text: Which Pet is Right for You?](#)

Math

- Roll two [dice](#) and multiply the numbers together.
- If you can, play with a partner to see who gets a larger product each time.

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [American Revolution](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 6

Literacy

Have fun playing this [game on Idioms](#)

Math

Watch these two videos from Khan Academy.

[Introduction to Multiplication](#)

[Multiplication as Repeated Addition](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [building the thirteen colonies.](#)

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 7

15

Literacy

Complete the following on Khan Academy:

- [Video on Evaluating a Source's Reasoning](#)
- [Video on Reading more than one source on a topic](#)
 - [Practice activity](#)

Math

[Understand equal Groups as Multiplication activity on Khan Academy](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [causes of the American Revolution](#)
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 8

15

Literacy

Try this fun game about [writing a friendly letter](#).

Math

[Multiplication on the Number Line video \(Khan Academy\)](#)
[Represent Multiplication on the Number Line on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [Declaration of Independence](#).
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 9

Literacy

Practice nouns and verbs with this [fun game](#).

Math

[Multiplication as Equal Groups on Khan Academy \(video\)](#)
[Multiply using Groups of Objects on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [French and Indian War](#).
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 10

Literacy

Complete the following on Khan Academy:

- [Video on context clues](#)
- [Video on figurative language](#)
- [Activity](#) (hint-the passage may look familiar)

Math

Grab a friend or family member and a deck of playing cards to play a game of Multiplication War. Read the directions [here](#).

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Jamestown \(part 1\)](#).
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 11

15

Literacy

Complete the following:

- [Video on Characters' thoughts and feelings](#)
- [Video on Characters' actions in stories](#)

Math

[Try out this Basic Multiplication Review on Khan Academy.](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Jamestown \(part 2\).](#)

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 12

15

Literacy

- [Video on illustrations](#)
- [Activity on realistic fiction](#)

Math

[Division as Equal Groups on Khan Academy \(video\)](#)

[Division with Groups of Objects on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Lewis and Clark](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 13

15

Literacy

[Use this link to create a word search.](#) Try to use some vocabulary you have learned over the summer. After you create your word search, give it to a friend or family member and see if they can find all the words.

Math

[Visualizing Division with Arrays on Khan Academy \(video\)](#)
[Division with Arrays on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Native American traditions.](#)
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 14

15

Literacy

Practice Poetry with the following:

- [Video on elements of poetry](#)
- [Video on a story's point of view](#)
 - [Poetry activity](#)

Math

[Basic Division Review on Khan Academy \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [regions of the thirteen colonies](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 15

Literacy

Reading Fiction:

- [Video on looking back at the text for evidence](#)
 - [Video on messages and morals](#)
 - [Video on summarizing stories](#)

Math

A **prime number** is a whole **number** with exactly two factors, itself and 1. The **number** 5 is a **prime number** because it cannot be divided evenly by any other **numbers** except for 5 and 1. The **number** 4 is not a **prime number** because it can be divided evenly by 4, 2, and 1. If you need a review, click [here](#).

- Use a deck of cards and remove any face cards. Aces will be ones.
- Draw cards to create 10 2-digit numbers.
- Use and share your strategies to help you decide if each number is prime or composite.

Additional Summer Learning Activities

Watch this fun Brain Pop video on [commas](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 16

15

Literacy

Reading Fiction Continued:

- [Video on character actions in stories](#)
- [Video on What pictures bring to a story](#)
- [Activity-Reading Realistic Fiction](#)

Math

- Use a deck of cards and remove any face cards and aces.
- Pull a card from the deck and write the number down.
- Write 10 multiples for that number.
- For example: If you pulled “3,” you’d write: 3, 6, 9, 12, etc. until you’ve written 10 multiples.
- Repeat until you have completed this task for all of the numbers in the deck

Additional Summer Learning Activities

Watch this fun Brain Pop video on [dialogue](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 17

15

Literacy

Reading Informational Text for Understanding:

- [Video on Summarizing nonfiction](#)
- [Video on language that shows cause and effect](#)
- [Activity on reading informational text](#)

Math

Practice your multiplication facts with this fun [Space Race game](#).

Additional Summer Learning Activities

Watch this fun Brain Pop video on [point of view](#).

Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 18

15

Literacy

Check out this [BrainPop video on Point of View](#) and try the quiz when you are done.

Math

Practice your division facts with this [Division Derby](#) game.

Additional Summer Learning Activities

Watch this fun Brain Pop video on [research](#).
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 19

15

Literacy

Practice past tense with this [fun game](#).

Math

Theme Park Planning

Research a theme park.

- Plan a budget for your family to visit for one day.
- How much will admission cost? Remember to check prices for different ages!
- What will food cost?
- What else do you need to think about?

Additional Summer Learning Activities

Watch this fun Brain Pop video on [graphs](#).
Practice skills on Freckle for 15-20 minutes.

Fourth Grade Day 20

15

Literacy

Wonderopolis

- Click here to learn [how many sharks are in the ocean.](#)
 - Read or listen to the article.
 - Do the Wonder Word Challenge.
 - Watch the video.
 - Complete a “Try It Out” Challenge.

Math

Can you solve these math [mash-ups](#)?

Additional Summer Learning Activities

Watch this fun Mystery Science video on [animal life cycles.](#)
Practice skills on Freckle for 15-20 minutes.

Fifth Grade

Use the links below for daily activities

<u>Day 1</u>	<u>Day 2</u>	<u>Day 3</u>	<u>Day 4</u>	<u>Day 5</u>
<u>Day 6</u>	<u>Day 7</u>	<u>Day 8</u>	<u>Day 9</u>	<u>Day 10</u>
<u>Day 11</u>	<u>Day 12</u>	<u>Day 13</u>	<u>Day 14</u>	<u>Day 15</u>
<u>Day 16</u>	<u>Day 17</u>	<u>Day 18</u>	<u>Day 19</u>	<u>Day 20</u>

[Home](#)

Fifth Grade Day 1

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

Math

Review Whole Number Place Value with this [video from Khan Academy](#)
Try this Place Value Tables [activity from Khan Academy](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [fact and opinion](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 2

15

Literacy

- Select and watch a movie that you haven't seen before.
- Write a review of the movie:
 - What did you like?
 - Is there anything you didn't like?
 - Rate the movie on a scale of 1-10.
 - Who would you recommend this movie for?
- Share your review with someone in your family.

Math

Finding Place Value review [video on Khan Academy](#)
Practice Identifying Values of Digits on this [Khan Academy activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [media literacy](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 3

Literacy

[Use this link to create a crossword puzzle.](#) Use words you have learned from what you have read this summer. After you create a puzzle, give it to a friend or family member and see if they can complete it.

Math

[Comparing Multi-Digit Numbers on Khan Academy \(video\)](#)
Compare Multi-Digit Numbers on Khan Academy [\(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [budgets](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 4

15

Literacy **Yes! Day**

- Brainstorm ideas about what you would do with your friends on a Yes! day - a day when you can do anything you want.
- Write a story with a beginning, middle, and end that tells about that day and what you would do.

Math

[Compare Decimals on Khan Academy \(video\)](#)

[Comparing Decimal Numbers on a Number Line \(video\)](#)

[Compare Decimals Visually \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [decimals](#).

Fifth Grade Day 5

15

Literacy

Reading for Understanding: Drama and Fiction

- [Video on understanding theme](#)
- [Video on character actions in stories](#)
 - [Video on elements of a story](#)

Math

[Comparing Decimals \(Tenths and Hundredths\) video](#)
[Comparing Decimals \(Tenths and Hundredths\) activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [division](#).
Practice skills on Freckle for 15-20 minutes.
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 6

Literacy

Reading for Understanding: Drama and Fiction

- [Video on elements of a drama](#)
- [Video on reading and comparing multiple books](#)
 - [Activity on Superheroes](#)

Math

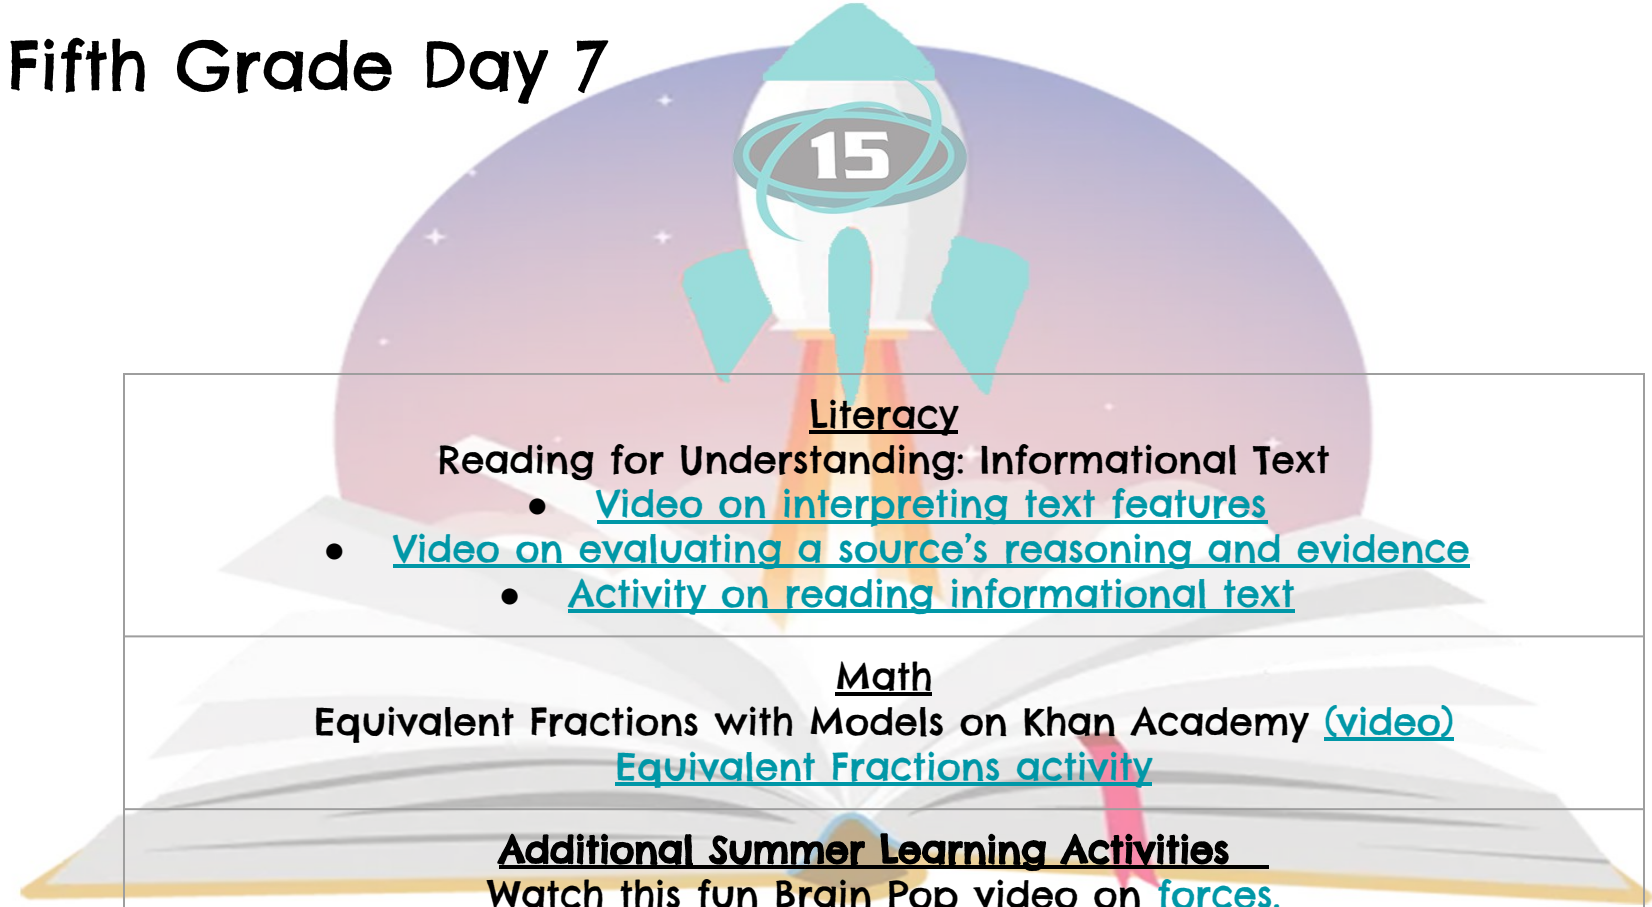

Watch this [Brainpop video](#) on comparing Decimals and try the quiz!

Additional Summer Learning Activities

Watch this fun Brain Pop video on [word problems](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 7

Literacy

Reading for Understanding: Informational Text

- [Video on interpreting text features](#)
- [Video on evaluating a source's reasoning and evidence](#)
- [Activity on reading informational text](#)

Math

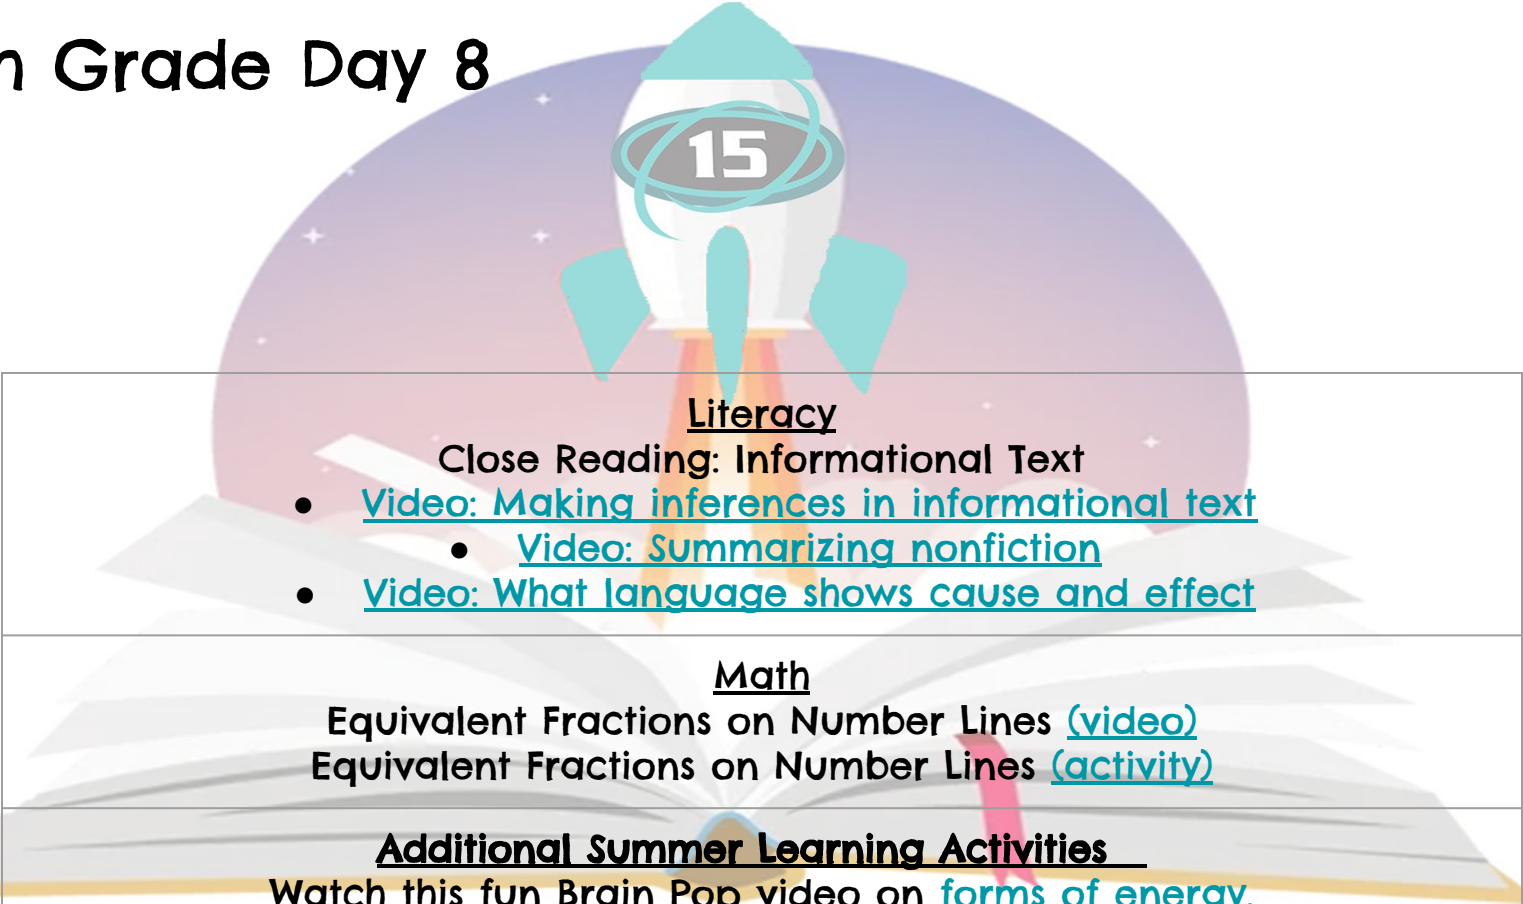

Equivalent Fractions with Models on Khan Academy ([video](#))

[Equivalent Fractions activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [forces](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 8

Literacy

Close Reading: Informational Text

- [Video: Making inferences in informational text](#)
 - [Video: Summarizing nonfiction](#)
- [Video: What language shows cause and effect](#)

Math

Equivalent Fractions on Number Lines [\(video\)](#)

Equivalent Fractions on Number Lines [\(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [forms of energy](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 9

Literacy

Close Reading: Informational Text (continued)

- [Video: Structures of informational text](#)
- [Video: Evaluating a source's reasoning and evidence](#)
 - [Activity: Reading informational text](#)

Math

More Equivalent Fractions ([video](#))

[Equivalent Fraction BINGO!](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [seasons](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 10

Literacy

Practice your punctuation with this [fun game](#).

Math

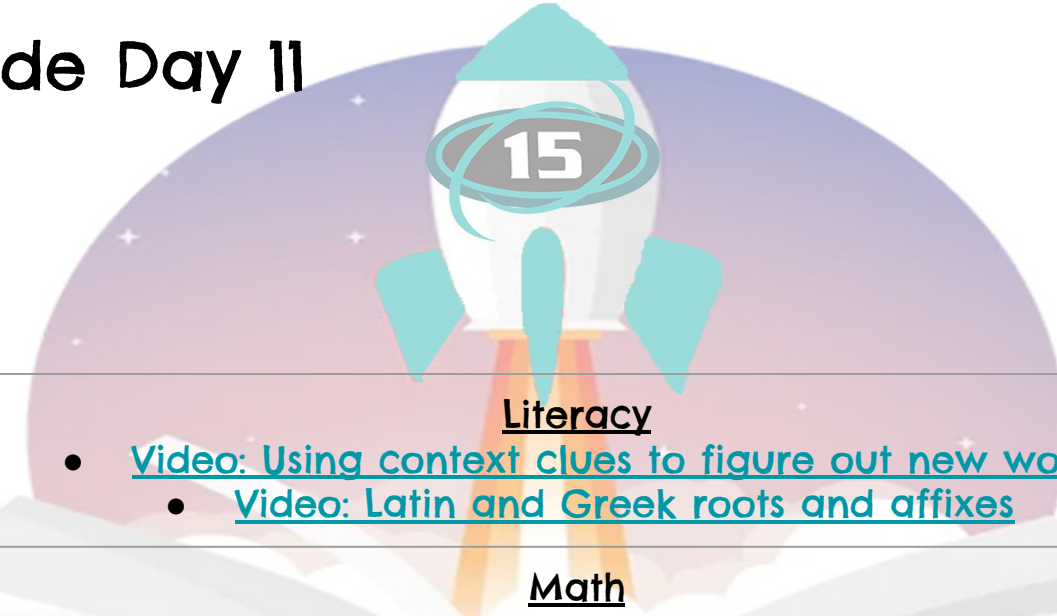

Take a break from fractions and try out these great [brain teasers!](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [states of matter](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 11

Literacy

- [Video: Using context clues to figure out new words](#)
 - [Video: Latin and Greek roots and affixes](#)

Math

[Intro to Area video on Khan Academy](#)
[Understand Area activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [Alice Ball](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 12

15

Literacy

[Activity: Vocabulary Neuron Fire at the Nelsons 4](#)

Math

[Rectangles and Unit Squares video](#)

[Find Area by Counting Squares activity](#)

[Compare Area with Unit Squares activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on the [Trans-Saharan Trade](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 13

Literacy

Activity: Word Meanings

Math

My Room

- Use a ruler, yard stick, or tape measure to measure a room in your house in feet.
- Can you find the perimeter?
- Can you find the area? Click [here](#) for a review of area and perimeter.

Additional Summer Learning Activities

Watch this fun Brain Pop video on [women's suffrage](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 14

Literacy

Watch this [Brainpop video on Growth Mindset](#) and try taking the quiz.

Math

Design Your Own Garden

- Design your own outdoor garden with a **perimeter** of 30 ft. How many different designs can you create?

Additional Summer Learning Activities

Watch this fun Brain Pop video on [computer programming](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 15

15

Literacy

Practice your parts of speech with [this fun game](#).

Math

Multiplying Whole Numbers by 10 [video](#)
[Multiplying by 10 \(activity\)](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [digital etiquette](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 16

15

Literacy

Practice your adverbs with this [fun game](#).

Math

Dividing Whole Numbers by 10 [video](#)

Divide Whole numbers by 10 [activity](#)

Additional Summer Learning Activities

Watch this fun Brain Pop video on [online safety](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 17

Literacy

Watch some of these [cool virtual tours](#) of the international space station. Write a letter to a friend or family member explaining at least three things you learned.

Math

Place Value when Multiplying and Dividing by 10 [video](#)
Place Value when Multiplying and Dividing by 10 [activity](#)

Additional Summer Learning Activities

Watch this fun Mystery Science video on [human muscles and skeletons](#).
Practice skills on Freckle for 15-20 minutes.
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 18

15

Literacy

Practice your synonyms and antonyms with this [fun game](#).

Math

Finding Common Denominators [video](#)

Common Denominators [activity](#)

Additional Summer Learning Activities

Watch this fun Mystery Science video on [eyes and vision](#).

Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 19

15

Literacy

Glacial Park Field Trip

- Go on a real or [virtual field trip to our very own Glacial Park](#).
- In writing, describe what you see AND hear. What kinds of animals and plants do you see? What else do you notice?
- Be descriptive and be sure to use a lot of adjectives.

Math

Adding Fractions with Like Denominators [video](#)
Adding Fractions with Like Denominators [activity](#)

Additional Summer Learning Activities

Watch this fun Mystery Science video on the [structure of our eyes](#).
Practice skills on Freckle for 15-20 minutes.

Fifth Grade Day 20

15

Literacy Loving Literature

- Listen to a fiction story from [Storyline Online](#) or choose your own.
- As you listen or read, pay close attention to the characters in the story. Takes notes as you go.
- Create a [trading card](#) for one or more characters from the story.

Math

- Create a menu with food pricing.
- A family of 6 would like to order from your menu.
- Write down what each member of the family will order and calculate how much money they'll spend on their meal.

Additional Summer Learning Activities

Watch this fun Mystery Science video on [the human brain](#).
Practice skills on Freckle for 15-20 minutes.

Sixth Grade

Use the links below for daily activities

<u>Day 1</u>	<u>Day 2</u>	<u>Day 3</u>	<u>Day 4</u>	<u>Day 5</u>
<u>Day 6</u>	<u>Day 7</u>	<u>Day 8</u>	<u>Day 9</u>	<u>Day 10</u>

[Home](#)

Sixth Grade Day 1

15

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

[iXL activity](#)

Math

Convert Units of Time on Khan Academy [\(video\)](#)

Convey to Smaller Units [\(activity\)](#)

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 2

15

Literacy

Life in the Trenches

- Read the *Time for Kids* article [A Year in Space](#).
- Write about your thinking.
- Did you make any connections to something you already know, have seen, heard about, read about, etc.?

[iXL activity](#)

Math

Converting US Volume Units on Khan Academy [\(video\)](#)

Same Length in Different Units [\(Khan Academy Video\)](#)

Convert Units on Khan Academy [\(activity\)](#)

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 3

15 Literacy

Keep in Touch!

- Write or type a friendly letter to someone you haven't seen recently, such as a grandparent, friend or other family member.
- Don't forget a greeting, closing, and a great body paragraph.
- Feel free to email or send via snail mail!

[iXL activity](#)

Math

Introduction to the Coordinate Plane on Khan Academy [\(video\)](#)

Coordinate Plane Graphing Points [\(video\)](#)

Graph Points on Khan Academy [\(activity\)](#)

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 4

Literacy

Book vs. Movie

Locate a book that has been turned into a movie.

- Read the book and watch the movie.
- Write a book or movie review based on what you notice. What is the same and what is different? Be sure to include which version of the story that you prefer!

Looking for a book/movie combination? Try one of these or choose your own:

- *Wonder* by RJ Palacio
- *Harry Potter Series* by J.K. Rowling
- *Holes* by Louis Sachar
- *Willy Wonka and The Chocolate Factory* by Roald Dahl
- *Because of Winn Dixie* by Kate DiCamillo

[iXL activity](#)

Math

Identify Points on Khan Academy ([activity](#))

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 5

15

Literacy

- [Video: Making objective summaries of literary texts](#)
 - [Video: Character actions in stories](#)
 - [iXL activity](#)

Math

Multiplication as Scaling with Fractions on Khan Academy [\(video\)](#)
Fraction multiplication as Scaling Examples [\(video\)](#)
Fraction Multiplication as Scaling [\(activity\)](#)
[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 6

15

Literacy

- [Video: How POV affects readers](#)
- [Video: What do pictures bring to a story](#)

Math

Constructing Numerical Expressions on Khan Academy [\(video\)](#)

Translating Expressions with Parentheses [\(video\)](#)

Translate Expressions with Parentheses [\(activity\)](#)

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 18

15

Literacy

Video: How point of view affects readers

Video: Different mediums and the tone of the text

Activity: Reading poetry

iXL activity

Math

Create expressions with Parentheses (activity)

iXL activity

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 19

Literacy

Screen Free Time

- How long can you go without a tv, computer, phone, tablet, etc? Can you go an hour, a day, several days, a week?
- Set a goal for an amount of screen-free time.
- Write about your experience.
 - Did you reach your goal?
 - What did you do without a screen?
 - Did you learn anything?
 - What is your opinion about the amount of time kids should spend on screens?

[iXL activity](#)

Math

Plan a Picnic

- You have \$100 to plan a picnic for your friends and family.
- Use the [Meijer](#), [Jewel](#), and [Aldi](#) flyers to plan.
- Which store would save you the most money?

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Sixth Grade Day 20

Literacy

Practice your prepositions with this [fun game](#).
[iXL activity](#)

Math

- Find your favorite baking recipe.
- Now use your knowledge of multiplying fractions to double your recipe.
- What are the new measurements?
- Can any of your new measurements be written as a simple equivalent fraction?
- Try the same procedure with a triple batch and quadruple batch.
- Check out [Allrecipes](#) as a possible resource.

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Seventh Grade

Use the links below for daily activities

<u>Day 1</u>	<u>Day 2</u>	<u>Day 3</u>	<u>Day 4</u>	<u>Day 5</u>
<u>Day 6</u>	<u>Day 7</u>	<u>Day 8</u>	<u>Day 9</u>	<u>Day 10</u>

Seventh Grade Day 1

Literacy

- Read with the McHenry Public Library
 - Register for a Temporary Library Card/Libby: [Library Instructions](#)

iXL activity

Math

Mean, Median, Mode, Range

Practice [mean, median, mode and range](#) with this fun game!

iXL activity

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Seventh Grade Day 2

15 Literacy

Book vs. Movie

Locate a book that has been turned into a movie.

- Read the book and watch the movie.
- Write a book or movie review based on what you notice. What is the same and what is different? Be sure to include which version of the story that you prefer!

Looking for a book/movie combination? Try one of these or choose your own:

- *Wonder* by RJ Palacio
- *Harry Potter Series* by J.K. Rowling
- *Holes* by Louis Sachar
- *Willy Wonka and The Chocolate Factory* by Roald Dahl
- *Because of Winn Dixie* by Kate DiCamillo

Solving Unit Price Problem [\(video 3\)](#)

Unit Rates [\(activity\)](#)

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Seventh Grade Day 18

15

Literacy

Life in the Trenches

- Read the *DOGOnews* article [How BMX Helped Nikita Ducarroz Overcome Her Fears.](#)
- Write about your thinking.
- Did you make any connections to something you already know, have seen, heard about, read about, etc.?

[iXL activity](#)

Math

Practice proportions with this [fun game.](#)

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Seventh Grade Day 19

15

Literacy

Watch this [BrainPop video on story conflicts](#). Next, try the quiz and see how you do!

[iXL activity](#)

Math

Too Much Screen Time?

- Create a chart to measure your screen time in minutes per day.
- Separate by device: time on a phone, tablet, tv, and game console/computer.
- Click for an example of a chart: [Screen Time Chart](#).
- Use your data set to calculate your screen time for one week.
- How many hours per day were you on a screen?
- How many hours per week were you on a screen?

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Seventh Grade Day 20

15

Literacy

Keep in Touch!

- Write or type a friendly letter to someone you haven't seen recently, such as a grandparent, friend or other family member.
- Don't forget a greeting, closing, and a great body paragraph.
- Feel free to email or send via snail mail!

[iXL Activity](#)

Math

Probability

- Using a coin or [dice](#), throw or roll ten times.
- Record your results using tallies or a line plot.
- Do you see patterns? If so, what kinds?
- What if you throw or roll 50 times? 100?

[iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Practice skills on Freckle for 15-20 minutes.

Eighth Grade Day 18

Literacy

Personality Presentation

- Read a biography, autobiography, or fictional novel of your choice.
- Create a poster, Google Slideshow, or video highlighting the person or fictional character.
- Please include: traits, actions, and/or words you believe are important.
- Create or find a quote to represent this person and add it to the presentation.
- Create an [acrostic poem](#) that highlights the person you have read about. Add it to your presentation.

iXL activity

Math

Writing Proportional Equations ([video](#))

Writing Proportional Equations ([activity](#))

iXL activity

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Eighth Grade Day 19

15 Literacy

Keep in Touch!

- Write or type a friendly letter to someone you haven't seen recently, such as a grandparent, friend or other family member.
- Don't forget a greeting, closing, and a great body paragraph.
- Feel free to email or send via snail mail!

[iXL activity](#)

Math

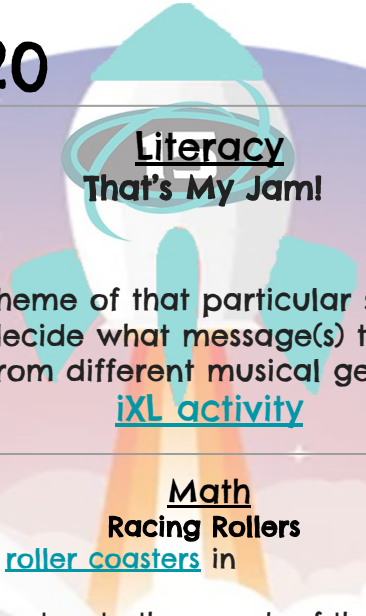

- Can you solve these math [mash-ups](#)?
- Hint: make sure you're using the Order of Operations!

○ [iXL activity](#)

Additional learning Activities

Practice skills on Freckle for 15-20 minutes.

Eighth Grade Day 20

Literacy That's My Jam!

- Choose a favorite song.
- Listen to it, and decide on the theme of that particular song.
- Choose two songs. Listen and decide what message(s) the musician is trying to share.
- Challenge jam! Choose songs from different musical genres and compare the themes and messages.

[iXL activity](#)

Math Racing Rollers

- Use this link to research the fastest [roller coasters](#) in the world.
- Compare the speeds of the steel coasters to the speeds of the wooden coasters.
- Rank them in order from fastest to slowest using both the steel and wooden coasters.
- Would you prefer to ride a steel coaster or a wooden coaster? Tell why.
- Which country has the tallest coaster? The fastest?
- What do you notice about the coasters at Six Flags?
- Read more about roller coaster force and motion [here](#).

[iXL activity](#)

Additional learning Activities
Practice skills on Freckle for 15-20 minutes.
