Digital literacy is knowing **HOW** to use digital tools.

Digital Fluency

Digital Fluency is an aptitude that empowers individuals to effectively interpret information, discover meaning, design content, construct knowledge, and communicate ideas.

"In the years ahead, digital fluency will become a prerequisite for obtaining jobs, participating meaningfully in society, and learning throughout a lifetime." - (Resnick, M. 2002)

Digital fluency is knowing **WHEN and **WHY** to use digital tools.**
